

Annual Alumni Week deadlines are upon us and **we NEED information to properly prepare!** Some have had schedule changes, and over 50% of attendees have **not** updated their registration at all.

OPTION 1 (Preferred): Please [visit the registration site](#) click on the arrow to the right of the green Registration button (top right) to modify your registration and complete the fields in the updated "TRAVEL & ACCOMMODATION INFO" section.

OPTION 2: Fill out this [form](#) and someone on our all-volunteer team will edit your registration for you.

This info will allow us to:

- have enough food (*but not too much!*),
- help you access your lodging if you are staying on campus, and
- obtain your credentials for your day tours, which everyone **MUST** have before boarding a bus.

If you have questions, please check the website (link above) for your answers.

Thank you for helping us help you!

Your Annual Alumni Week Team
