

GLOBAL MARKETER CONFERENCE AGENDA: BECOMING BETTER BRANDS

Brands around the world are increasingly under the spotlight; accountable to people, planet, regulators and shareholders. How are the world's best marketers using their powers of creativity and innovation to build better, stronger, brands which our stakeholders and consciences can be proud of?

08:30 **REGISTRATION**

09:30 **A SHARED GLOBAL AGENDA**

Uncertainty and volatility are on the rise, whilst globalization is perceived to be in retreat. Yet marketers, no matter where they're based in the world, face a very similar set of challenges. And that creates opportunities.

Stephan Loerke
CEO, **WFA**

10:00 **REIMAGINING WHAT A BEER COMPANY CAN BE**

AB InBev's Global Chief Marketing Officer will share one of the most inspiring stories of a company transformation driven by marketing. From a follower to a leader in creative capabilities, to developing a culture of sustainable growth, AB InBev is harnessing marketing's super-powers to create a future with more cheers.

Marcel Marcondes
Global Chief Marketing
Officer, **AB InBev**

10:30 **SELLING SUSTAINABILITY**

Why are so many companies having such a hard time selling sustainability in Canada, the USA, the world? Join TED star, Solitaire Townsend, to find out why ego-green marketing is dead and why that could be great news for your business.

Chief Solutionist & Co-
Founder, **Futerra**

11:00 **BREAK**

11:45 **PUTTING YOUR TRUST IN AI?**

40% of companies have not yet deployed AI, underscoring a dramatic gap between hype and use. 2024 will be the year of overcoming barriers of entry to AI; including the skills gap, data complexity and, crucially, trust. Jonathan will share on how marketers and communicators can move to build trust in technology and help move companies out of the AI sandbox.

Jonathan Adashek
Chief Communications
Officer & SVP, Marketing
& Communications, **IBM**

CMO: THE IMPOSSIBLE JOB?

The CMO brief has never been so complex. Against a backdrop of polarised politics, a 24/7 newsreel and endless changes in consumer habits and technology, CMOs are tasked to drive business growth through purposeful and inclusive brands that appeal to new, more diverse audiences. Has CMO become the impossible job? The host of the Better Marketing podcast, David Wheldon, will ask practising CMOs and an AI infused version of marketing guru, Mark Ritson.

Jane Wakely
